

June 11, 2010

**Dear Clarke Crusaders:**

I hope your summer is going well and you are looking forward to school and a great year of Crusader Athletics! I am sending you information to help you prepare for the new academic year.

**All** students must have an annual physical examination before they may participate in athletics at Clarke. The completed physical forms are kept on file throughout the academic year. You must have a physical after June 1, 2010 and complete the forms and documentation listed below to be eligible for practice and competition. Forms include insurance and medical history. All student-athletes must also send a copy (front and back) of your insurance card. Please refer to **<http://www.clarkecrusaders.com>** and click the appropriate links. **Also on this site is a student-athlete insurance summary.** Forms can also be obtained by calling 563-588-8186 or emailing [jane.jackson@clarke.edu](mailto:jane.jackson@clarke.edu).

All student-athletes must also complete the appropriate sports information form. Student-athletes may access this form by clicking the link at <http://www.clarkecrusaders.com>.

New student-athletes who have previously attended another four-year college or university or a community college must complete an NAIA transfer form. If you are a new transfer student please call 563-588-8186.

Thank you for completing these items. I look forward to seeing you in August.

Sincerely,

Curt Long  
Director of Athletics
